So much to do for the Earth

Our goal is to reduce waste this year— so bring your labeled, reusable bottle for dancing, the 3k fun run, and hydrating your singing voice. And stay tuned for ways to improve our camp's recycling mojo!

So much to do for others

Put on your thinking cap & bring something excellent for the fundraising auction, supporting scholarships so that every camper can participate. What homemade wares, unusual treats, or inventive personal services will bring in the big bids?

So much for you to do

August Folk Camp 2017

The folk school building turns 100 this year. With the Stone Hall (1889), Gym Hall (1904), and Danebod Lutheran Church (1893), it is on the National Register of Historic Places. We share this special anniversary logo with June and July Family Camps. Thanks to Erik Juhl for the design!

I want to be where the music comes from.

—composer Lee Hoiby (1973)

This year's camp theme is **so much to do** — for each other, for our communities, for the health and well-being of all people and creatures on the planet.

There are many different ways we can take action, in quieter or louder ways, but it's important that we all step up to act on what we care about, and not leave it to others.

Because there is **so much to do!**

And we can get started at camp:

so much fun to have...
so many songs to sing...
so many skills to learn...
so many new friends to make...
so many old friends to embrace...

Bottle cap magnets can be made and shared when you recognize a **Dane-do!**

Reach out, help Earth, teach & learn,
connect culture, speak out
